

Why choose Resurgence from Liniar?

- 70mm sash and 80mm frame both feature Liniar's innovative, multi-chambered design, delivering outstanding A+ rated windows
- An external flush finish eliminates the telltale overlap of standard PVCu windows
- A double-rebated weather seal and patented co-extruded bubble gasket eradicate the unsightly external seals found in timber replica windows and ensure a draught-free, weatherproof window
- Triple glazing ready, the Resurgence window system achieves U-values as low as $0.9 \text{ W/m}^2\text{K}$ for excellent energy efficiency
- Designed to match the rest of the Liniar range, Resurgence features fully foiled glazing areas to both outer frame and transom profiles, adding authenticity - even when the window is open
- Four fabrication options available, including:
 - Fully mechanically jointed
 - Fully welded (mitred) corners
 - Timberweld® welded
 - Mechanically jointed appearance externally with welded interior
- Wide choice of colours and finishes available from stock, with hundreds of colour options on longer lead times
- Covered by the Liniar 10-year guarantee and supported by a team with more than 500 years' experience of fenestration technology.

7 great reasons to choose Liniar

Innovative – Liniar’s string of patents and registered designs is testament to its ongoing new product development

Energy efficient – designed from scratch to achieve the pinnacle of thermal performance and retain more heat in your property

Safe and secure – engineered with built-in security features and approved by independent testing facilities

British made – manufactured in our state-of-the-art factory in the heart of Derbyshire

Lead free – all Liniar profiles are extruded using materials that are 100% lead free

Quality assured – backed with ISO 9001 accreditation for your peace of mind

Guaranteed – all Liniar frames are guaranteed to not warp, split or discolour for a minimum of 10 years
